CSS is ever evolving due to our yearly review process. We continue to adapt and change CSS to benefit our students and our families as much as possible. This means that the structure may look slightly different year to year; but rest assured that changes are made with student learning outcomes as our top priority.

We look forward to sharing in your success for 2025 and seeing all our students push through theatrical boundaries at the Crete Street Theatre.

***Crete Street Studio Team and
Beenleigh Theatre Group Committee***

Overview of Crete Street Theatre

Crete Street Theatre, home of the Beenleigh Theatre Group is committed to all aspects of Community Theatre.

Our mission is:

"Quality theatre for our community at affordable prices"

Our core value is:

"Giving Back"

We believe everyone in our community should have access to the joy that is live theatre and that we can give back to our community through our relevant programmes.

The theatre complex, corner of Kent and Crete Street, Beenleigh, contains a 150-seat auditorium accompanied by a large stage (suitable for all aspects of modern theatre), as well as a large sized rehearsal space/green room, props and costume wardrobe and two large dressing rooms.

Overview of Crete Street Studio

BTG has a proud history of youth theatre and education, beginning with the formation of the original JETS programme.

Crete Street Studio classes are designed by the tutors themselves, with consultation from the BTG Committee and educational experts. Student outcomes are at the forefront of our programme, these outcomes are drawn from the Australian Curriculum. Each class throughout the year will be striving to achieve measurable learning goals.

In 2025, we are offering three streams:

- Acting
- Musical Theatre
- JETS (5 – 9 years)

Summary of Streams

Acting

Students undertaking this stream will be learning the fundamentals of theatre performance and acting. This class is targeted towards students who are wanting to start performing in theatre productions as well as those who would be wanting to, or are currently participating in eisteddfod type performance styles. This stream will cover theatrical elements like monologues, voice control, creative interpretation, emotion, characterisation, and live performance.

Classes are aligned with the Australian Curriculum, meaning content that students learn is directly linked to the same achievements that would be expected for their age group in Queensland Schools. This does NOT mean that CSS will feel like schoolwork! It just means that our content is based on age-appropriate outcomes as determined by education experts.

PLEASE NOTE: Students are expected to participate in showcases. Extra classes may be scheduled to assist in preparations.

Musical Theatre

Students undertaking the Musical Theatre classes will be learning the fundamentals of MT performance including Voice, Acting and Dance.

These classes will be targeted towards the specific age groups and general class experience.

MT classes will also have very specific expectations of students. These will include behavioural and effort expectations, as well as performance expectations. For example; Students joining this class are here to learn and perform MT. They are expected to actively participate in ALL class activities, as well as frequent class showcases.

JETS

JETS (Junior Entertainers' Theatre School) is a combination of the above streams specifically geared toward younger students. This class combines these separate elements of performance to allow younger students to build fundamental skills, so that when they are older, they have a better conception of different performance aspects.

Masterclass

Many of our students and families have expressed interest in masterclasses to refine specific skills. Therefore, throughout the year we will be holding masterclass workshops with their own focuses, which will help students develop and refine the skills that most interest them. These will occur sporadically throughout the year, and for the most part will be open to all the BTG family (meaning parents could enrol in a masterclass alongside their student if they so wished!)

Whilst we are still refining the details, we are excited to share that possible masterclass offerings for 2025 include:

- Improvisation
- Scriptwriting
- Directing
- Audition Skills

And many more!

Is there a masterclass you would like to suggest? Feel free to let us know!

2024 Classes

Age Groups:

Crete Street Studio class age groups are as follows:

- JETS Juniors 5 – 9 years
- Acting Intermediates (10 – 14 years)
Seniors (15 – 18 years)
- Musical Theatre Juniors (10 – 14 years)
Seniors (15 – 18 years)
- Masterclasses Age limits may apply for each class.

Please Note: Ages are not 'concrete' for class participation, in fact, sometimes we may ask you/your student to move up or down classes to best suit a student's needs.

Trials

CSS offers a two-week trial period for all classes. After the trial period is up, students are required to pay their fees if they wish to continue at CSS.

Parents/guardians are welcome to sit in on classes during the two-week trial period, however, after this time classes are done in a closed rehearsal room. If there are any issues, please contact the Crete Street Studio Coordinator directly via the CSS Facebook Page, or email – csstudio@beenleightheatregroup.com

Communication

Communication to parents/guardians from either the tutors or the committee will take place via email and Facebook. Both emails and the Facebook page are regularly monitored by several people, however if you are not answered, please resend your message or speak to a BTG Committee member/CSS tutor directly.

Any negative/harassing comments or criticism of any kind will not be tolerated. Engaging in this may result in your student being removed from the programme.

The Crete Street Studio Management team is open to any feedback about our programme. Please feel free to contact us via csstudio@beenleightheatregroup.com

CSS Showcases and Performances

Each year the Studio students are encouraged and supported to strut their stuff on the main stage. Each stream is given the opportunity to provide a showcase at least twice a year, along with support in entering eisteddfods and other similar competitions.

Showcases focus on providing/using/creating ensemble and individual performance pieces, meaning that all students in their respective production have ample and even time to showcase what they have learnt throughout the year.

These productions may require extra rehearsals outside of the allocated class times. Students are required to attend unless discussed prior. The below dates are locked in. Please ensure students are available for these days.

Mid-Year Showcase – During classes in Term 2 Week 10

The Mid Year Showcase is designed for students to perform the specific skills they have been learning in Terms 1 and 2.

For Musical Theatre these may be performances of 1 – 2 songs as individuals/pairs.

For Acting classes these may be monologues or short scenes.

The Mid-Year showcases will be conducted DURING class times in week 10 of term 2. As per 2023/2024, we have kept this 'Live Class' Showcase for 2025 after such wonderful feedback from our students and families.

End of Year Showcase - December 12th & 13th (Term 4 Week 10)

The End of Year showcases are designed as larger performance pieces. Students from each class or stream will create a performance piece that is similar to something that might be seen in a One Act Play or One Act Musical.

These performances will be very similar to a normal mainstage Revue performance. Students will audition, create and rehearse during their normal classes.

They will then take part in 'Tech Week' which is when classes will rehearse on our Crete Street Theatre stage during their normal class days.

ALL students will be required to attend a FULL TECH RUN on Thursday, 11th December, 4pm – 7pm.

These performances may require extra rehearsals leading up to the shows as well as the above Tech Week rehearsals.

Crete Street Studio's Values and Expectations

Beenleigh Theatre Group and its reputation relies completely on those who represent it. It is due to this that certain expectations are placed upon all members to maintain and uphold the good name of the theatre.

- Promptness and timeliness
- Organisation and preparation
- Courteous and respectful to students, parents, volunteers, and tutors at all times
- Creative and adventurous in theatrical exploits
- Clear and open communication in all operations

At Crete Street Studio we understand that teaching our youth how to behave in a theatre environment and to work collaboratively is important. We appreciate any support from the youth students' parents/guardians in achieving these objectives.

We understand that there may be some 'teething' issues and the BTG Committee will appreciate any feedback/concerns from our students or their parents/guardians.

1. BE A PERFORMER

The primary aim of our youth program is to facilitate and promote students' growth as a performer.

This happens when you;

- Give your individual best effort to classes and activities.
- Contribute positively to classes and activities.

2. BE SAFE

Crete Street Studio thrives on providing a diverse and inclusive environment.

In order to do this, we place a high value on the physical and emotional safety of all our students. Theatres can potentially be dangerous places.

We can ensure safety when you;

- Respect the personal space and property of others.
- Do not touch props and equipment that are not in use by your Studio class.
- Follow theatre etiquette and protocols at ALL TIMES.
- Move safely around the theatre – especially on and around the stage.
- Solve problems and conflicts without violence of ANY type.
- Use equipment with supervision or instruction of an authorised person.

3. BE RESPECTFUL

At the Crete Street Studio, we expect each and every student to treat others with respect and courtesy at all times.

We act and communicate in a manner that reflects the awareness of the rights of others.

You are being respectful when you;

- Act and speak in a way that shows you care about the rights, emotions and ideas of others.
- Treat other people's property with care.
- Listen attentively to your fellow students, your tutors and BTG Committee members.
- Learn and follow the theatre protocols/etiquette consistently.
- Choose to work in positive ways with other theatre group members.

4. BE RESPONSIBLE

Crete Street Studio values the importance of learning to self-manage, being able to make appropriate behavioural choices and accept responsibility for the choices that are made.

You are being responsible when you;

- Make an effort to be organised – be punctual to classes, learn lines and choreography, bring props and costumes when asked.

- Follow directions from Tutors and ALL responsible adults of the BTG Membership.
- Accept that you are responsible for the choices you make and the consequences for those choices.
- Are committed to improving your ability to make good choices.

5. BE COOPERATIVE

Drama is a group activity which fails totally if one member is not cooperating, cooperation is ESSENTIAL to participate in the Crete Street Studio programme.

You are being cooperative when you;

- Show concern for others.
- Act and speak in a way that demonstrates good manners towards others (Tutors, Students, Parents and other BTG Members).
- Listen attentively when others are speaking.
- Resolve problems and conflict without verbal and physical aggression.
- Choose to work with others in respectful and positive ways.

Thank You!

We hope you find this pack informative and useful during your time with the Crete Street Studio.
